Please note: We have made some changes to this program so we may better serve South Whitehall Township residents while providing for the safety of our personnel. We are unable to accept requests if the home has any of the following conditions: doors or windows are deliberately left open; temporary guests will be staying at the home; the home is "For Sale or Rent" and is unoccupied or may be shown by agents. We also need to limit the time period for our checks to 30 days per request as this service is not intended to cover second homes vacant for extended times. Home checks are done on a random basis as time and staffing permit.

This program should not be used in place of prudent home security methods, systems or devices. If you change your dates of departure/return, or return early, please call South Whitehall Township Police Department at 610-398-0337.

Homeowner realizes that the South Whitehall Township Police Department and South Whitehall Township do not assume any liability for loss or damage to property during specified dates. Homeowner understands there is not guarantee that vacation checks will be done daily.
